QUESTIONS AND RESPONSES

Question No. 1: Section 00800-5, Section 6.18 Warranty - Will we have to provide a three-year warranty bond?

Response to Question No. 1: Yes, a separate 3-year warranty bond will be required to be issued at the start of the project along with the normal Performance and Labor/Material bonds. The Warranty bond will not go into effect until the final completion of the project has been reached, as determined by the TMWA Project Representative. Please see section 6.18, Paragraph C of the Supplementary Conditions on the attachments tab which has been updated to indicate this requirement.
